SKILLS

Hardware
PC assembly and disassembly, RAM / GPU / SSD installs, fault diagnosis, upgrades

Windows
Installs, updates, drivers, troubleshooting, Windows Server, Active Directory

Networking
TCP/IP, DHCP, DNS, Wi-Fi and connectivity troubleshooting

User Support
TeamViewer, AnyDesk, POS systems, printers, peripherals

Virtualization & Hosting
VMware, Hyper-V, VPS (OVH, Host4Fun), SQL

Documentation & Tools
Notion, Excel, Office, Jira, Python

EDUCATION

DEP — Computing Support
Pearson Electrotechnology Centre
2025 – Present

LANGUAGES

English · French

REFERENCE

Angelo Capuccili
Parma Café, Montréal
(514) 979-0993

PROFILE

After seven years in restaurants, the last two leading a kitchen team, I moved into IT. I build and upgrade PCs, set up Windows and drivers, and troubleshoot networks, both in class and on servers I run myself. I like to research and test before escalating, and I write things down so the next person doesn't have to start from zero. I work in French and English.

HARDWARE

School & personal

PC Builds, Repairs & Upgrades

Pearson Electrotechnology Centre · Personal builds for myself and friends

- Assemble and take apart desktop PCs; install and replace RAM, GPUs, SSDs and other parts
- Track down faulty components by testing and swapping parts
- Install Windows, run updates and set up drivers on new and upgraded machines

PROJECT

2024 – Present

Self-Hosted Multiplayer Server

Server Administrator · Independent project

Live with active users | OVH · Host4Fun · SQL

- Set up and maintain VPS hosting on OVH and Host4Fun through remote access
- Find and fix recurring causes of downtime: lag, crashes and config errors
- Document configs and track uptime in Notion and Excel; write SQL updates

EXPERIENCE

Windows Server & Networking Lab

2025 – Present

Pearson Electrotechnology Centre, Montréal

- Configure Windows Server with Active Directory, DNS and DHCP
- Build virtual machines and networks in VMware and Hyper-V
- Diagnose and fix system and network faults in hands-on scenarios

Kitchen Manager / Supervisor

2023 – Present

Parma Café, Montréal

- First person staff call for POS, printer and network problems; fix them on the spot
- Keep records, reports and operational documentation up to date in Office
- Train new staff and explain systems in plain, simple terms
